

## ATTACHMENT 2 Tieto Connection TARIFF

VAT 0% (VAT 25,5% in parenthesis)

### Tieto Connection Service Activation

**275,00 (345,13) €**

- Opening Tieto Connection service including setting up SMS or MMS messaging for one IP address and one short code.
- IP service opening for one IP customer identification (cpID)

### Premium-Rate Service Activation

**175,00 (219,63) €**

Activating premium-rate billing through a Tieto Connection Agreement. Includes activation of subscriber charging, monthly statements and revenue sharing. Includes activating all premium rate tariff classes or Open Pricing method up to and including 5€ (TC 0-33) on one short code.

### Activation Fee of Tariffs over 5€

**175,00 (219,63) €**

Includes premium rate tariff class (TC 34-48) opening up to 20€ or open pricing method up to 20€.

### Additional Shortcode or IP-Billing account (cpID)

**275,00 (345,13) €**

Connecting one additional short code (SMS or MMS) including all tariff classes available up to 5€ (TC 0-33) or setting up IP Connectivity for additional IP account (cpID).

### Additional service changes

**80,00 (100,40) € / change request**

- Adding or Changing one keyword.
- Enabling one IP address, activating one additional tariff class, activating Open Price Interface, activating SMS Connectivity or MMS Connectivity on an active short code.
- Adding one IP domain / IP address, adding one new IP service identifier (servicID) or any other configuration change in the Tieto Connection service.

### Service-specific Tariff Class

**200, 00 (251,00) € / tariff class / shortcode**

Defining and setting up one non-standard tariff class on one shortcode.

### Monthly Fees

Monthly fee for shortcode

**80,00 (100,40) € / short code**

Monthly fee for IP Connectivity (Incl. 1 servicID)

**200,00 (251,00) / cpID**

Monthly fee for added IP servicID

**5,00 (6,28) € / servicID**

Monthly fee for SMS/MMS keyword

**80,00 (100,40) € / keyword**

Monthly fee for Open Price Interface

**20,00 (25,10) € / short code**

Monthly fee for other special functionality

**80,00 (100,40) € / short code**

### Minimum Monthly Fee

**20,00 (25,10) € / item / month**

The minimum fee is applied for each premium-rate shortnumber, keyword and tariff class identifier that are active through Tieto Connection. The minimum fee is applied only if Tieto's revenue on the item does not exceed the 20,00 (24,60) € / month. The monthly fee for each shortcode allows for one item under the minimum fee per month. The minimum fee is charged for each additional item not exceeding the minimum limit.

Minimum monthly fee, does not apply to an open invoice interface.

### SMS Message Fees

SMS messages to subscribers of Tieto Connection networks

**0,067 (0,084) € / message**

SMS messages to subscribers of other networks

**0,096 (0,110) € / message**

Fees and out-payments for premium-rated SMS messages are shown in SMS Tariff Classes table below.

### MMS Message Fees

MMS messages to subscribers of Tieto Connection networks

**0,25 (0,31) € / message**

Fees and out-payments for premium-rated MMS messages are shown in MMS Tariff Classes table below.

### IP Connectivity Revenue Share Model

Operator Share of premium-rated IP services

**15%**

### Custom Reporting Fee

**100,00 (125,50) € / report/ month**

Preparing a summary report on a monthly basis for services selected by the Service provider. One report showing all Service Provider's services is included in the basic monthly Tieto Connection service. Any separately agreed additional reports are subjected to this charge.
